## COFFEE BAR

We serve amazing hot & iced coffees & teas. Ask the barista on duty to make your favorite drink or suggest something new to help attack the day with.

### Matt's Coffee

The best certified organic coffee beans in the world. Most coffee today - even organic coffee - is roasted using fossil fuels. Matt's gently roasts small batches of beans in a vintage Italian roaster fired with native sap & fruit wood from the forests of Maine. His object is to complement the naturally distinctive flavors of his select coffees with the subtle aromatics that only a wood fire can impart.
